EXPERIENCE

Inventory Manager

i35 MarketPlace Animal Hospital

2023-2024

New Braunfels, TX

Responsible for supervising the procurement, storage, and distribution of pharmaceuticals, medical equipment, and other inventory items. Cultivated and maintained strong partnerships with suppliers and vendors, assessed supplier performance, and facilitated effective communication.

Key Accomplishments:

- Implemented digital budget analyzer and decreased inventory cost of goods sold (COGS) by an average of 3% every month.
- Drafted Standard Operating Procedures (SOP) for the Pharmacy Department within a newly established hospital.
- Produced and analyzed inventory reports to recognize patterns and recommend required courses of action to optimize stock turnover.

Office Manager
Thrive Pathway Vet Alliance

2019–2023
New Braunfels, TX

Worked extensively to establish process flow documentation, improvement initiatives, and inventory control. Experienced in communication with clients to navigate complex and emotional decisions.

Key Accomplishments:

- Trained new employees and helped management create training guides and procedures.
- Onboarded a record keeping software system, created workflow procedures, and trained new employees.

Equipment & Technology Specialist
All Pets Animal Hospital & 24 Hour Emergency

2013–2019
Katy, TX

Responsible for ordering and maintaining all equipment. Writing and improving protocols. Technical writing for procedures and training staff on equipment and processes while adhering to governing standards.

Key Accomplishments:

- Lead the installation, implementation, and training of a paperless record keeping software system for five departments and 85 employees.
- Centralized all staff information onto a local network drive.

EDUCATION

Certificate, Full Stack Web Development Boot Camp
University of Texas, Austin TX

June 2024

An intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, JQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS.

Bachelor of Science, Marine Biology

December 2007

Texas A&M University at Galveston, Galveston TX
